

Trotwood City, OH Deployed Park Shelter Scheduling Module With GovPilot

Trotwood, OH expands their partnership with the government management software provider to streamline operations and government services in the municipality.

TROTWOOD, OH, UNITED STATES, May 31, 2024 /EINPresswire.com/ -- Customer Since 2021 with 17 Total Modules Deployed

The City of Trotwood, OH has implemented additional government management [software solutions](#) into their municipal offices for 2024 in order to automate processes, digitally manage data, and engage citizens via the cloud with [GovPilot](#) - the Operating System for Local Governments. In collaboration with GovPilot, a government management software provider based in New Jersey, this municipality of Montgomery County, expanded a partnership that will allow the local government to access new, modern, software solutions across the municipality.

This partnership aims to provide both citizens and government officials simplified access to data and information that will save valuable time and resources across the board. GovPilot's customer success rates and stellar reviews set this government management software provider apart from all others, streamlining the implementation of new software solutions efficiently and successfully for Trotwood.

Trotwood added the following solutions to their municipality:
[Park](#) Shelter Scheduling Module

Learn more about this module:

Park Shelter Scheduling Module: This module makes it easier for constituents to easily apply to reserve a Park Shelter in the city. The module also allows the municipality to easily organize and accommodate scheduling requests and prompt alerts of availability for reservations.

Trotwood City, OH Deployed Park Shelter Scheduling Module With GovPilot

All additional software solutions deployed by Trotwood in 2024 will continue to simplify and digitize once manual, paper-based government processes, allowing for government workers to dedicate their valuable time to more pressing municipal tasks, and saving constituents the hassle of traveling to city hall in person.

GovPilot By the Numbers for 2023

Total Modules Deployed Across all Accounts Nationwide: 354

Median Deployment Days: 47
