

Shrtlst Launches in Miami, Connecting Travelers with Local Experts for Authentic Experiences

LAS VEGAS, NV, UNITED STATES, May 31, 2024 /EINPresswire.com/ -- [Shrtlst](https://www.shrtlst.com), the innovative platform transforming how travelers explore cities, is thrilled to announce its next destination: Miami. After a successful debut in Las Vegas earlier this month at the Pinky Ring by Bruno Mars, Shrtlst brings its unique approach to Miami, offering an unparalleled city exploration experience.

Born from a desire to bypass unreliable online reviews and influencer hype, Shrtlst connects travelers directly with a select group of hand selected Miami locals known as A-Listers. These local experts provide invaluable advice, ensuring visitors only encounter Miami's most exclusive and authentic experiences.

"As an A-Lister, I truly believe it's a remarkable chance for me to spotlight Miami's finest," remarked Eros Vindell, a prominent Miami A-Lister. "Miami, with its rapid growth and distinct history and culture, remains a sought-after destination. Through my curated list, I aim to showcase the top spots in Miami, providing a glimpse into our unique culture from a local's viewpoint."

Dana Manacher, the CEO of Shrtlst, is a veteran in the luxury travel and upscale hotel industry. Under Dana's leadership, Shrtlst will expand into major cities, delivering exceptional, unbiased recommendations that craft genuine travel experiences.

The imminent launch of the Shrtlst app promises to enhance these experiences further with a user-friendly interface that simplifies exploration and booking, making it easier than ever to uncover Miami's hidden gems.

The platform's ability to turn inspiration into tangible travel plans is evident, with social media posts garnering thousands of bookmarks.

"Dubbing Miami as one of our pivotal cities stemmed from its rapid emergence as a top tourist destination. We at Shrtlst aim to pioneer in crafting unparalleled experiences by partnering with trusted A-Listers who hold a deep affection for their city," explained Dana Manacher, CEO of Shrtlst.

The introduction of Shrtlst in Miami invites solo travelers, newlywed couples, and families to experience the city like never before.

In addition, Shrtlst proudly presents its exclusive luxury travel service designed specifically for high-net-worth clientele, The Shrtlst Passport. This white glove service matches clients with a dedicated personal travel concierge, ensuring every facet of their journey is meticulously planned and tailored to their unique preferences.
