

Debut of Riveting Audio Drama Series "Self-Rising Flower" Set for June 3rd

Follow Erika Daniels and her children as they rise from a home bakery to a dessert empire in the new audio drama series debuting June 3rd.

COVINGTON, GA, USA, June 3, 2024 /EINPresswire.com/ -- Self-Rising Flower" chronicles the

“

Our goal with 'Self-Rising Flower' was to create a deeply engaging story that listeners can connect with on a personal level. We hope to inspire others looking to start their own family business.”

Corey A. Burkes

entrepreneurial journey of Erika Daniels, an underestimated single mother who discovers a gift for baking and builds a dessert empire over the years with help from her brilliant daughter Aniyah and innovative young son Bryson.

Structured as an audio documentary flashing back through pivotal eras, each episode spotlights key emotional growth moments and developments expanding Erika’s home bakery into a franchise with locations across multiple states and strained family bonds that threaten to crumble all she’s earned through perseverance.

In six parts, the serialized story format allows witnessing organic evolution of central relationships and maturity at an intimate, methodical and intriguing pace.

Cast of Self-Rising Flower
