

Express Crane & Rigging Responds Swiftly to Houston Storm Emergency

Emergency Response Team Quickly Clears Trees from Homes and Power Lines

HOUSTON, TEXAS , UNITED STATES, June 4, 2024 /EINPresswire.com/ -- In response to the recent storm that hit Houston and its surrounding areas, [Express Crane & Rigging](#) promptly engaged in emergency response efforts to clear fallen trees from homes and power lines. Within hours of the storm's impact, the team mobilized to provide immediate relief to affected residents.

Express Crane & Rigging partnered with companies from across the nation to address the urgent need for assistance, as local resources were overwhelmed by the vast number of residents affected. This collaborative effort ensured a faster and more efficient response, benefiting the entire community.

“

If you support the community they will support you.”

Nicolette Travis

During the recovery efforts, Express Crane & Rigging focused on removing trees that caused damage to homes and power lines. The team’s specialized equipment and expertise allowed for the safe and swift removal of debris,

helping homeowners return to normalcy as quickly as possible.

The company’s efforts were focused on Houston and surrounding areas, including Clear Lake. The scale of the operation highlighted the importance of community support and the dedication of local and national teams working together to help those affected by the storm.

For more information on how Express Crane & Rigging can assist with emergency response and storm recovery efforts, please call (832) 497-3492 or email info@expresscrane.net.
