

PCS Partners with New Jersey School Boards Association and Carahsoft to Enhance IT Support for Schools

PCS Provides Powerful IT Solutions to Improve Educational Outcomes

MOORESTOWN, NEW JERSEY, UNITED STATES, June 4, 2024 /EINPresswire.com/ -- [PCS](#), LLC, a seasoned Managed Service Provider known for its comprehensive IT services, is proud to

These partnerships underscore our commitment to enhancing the educational experience through superior IT support."

*Anthony Mongeluzo,
President, PCS*

announce its new partnership with the New Jersey School Boards Association (NJSBA) and [Carahsoft](#) Technology Corp. This collaboration aims to deliver enhanced IT support tailored specifically for schools across New Jersey, focusing on improving infrastructure, cybersecurity, and educational technology effectiveness.

In a strategic move to expand its support for educational institutions, PCS has officially partnered with the New Jersey School Boards Association (NJSBA). This partnership will see PCS bringing its extensive expertise in managed IT

services directly to unionized schools, ensuring reliable, secure, and efficient technological environments conducive to learning.

The New Jersey School Boards Association (NJSBA) is a federation of local boards of education that advocates for and provides services to promote effective governance, high-quality education, and student achievement. By partnering with PCS, NJSBA aims to leverage advanced IT solutions to support the educational needs of its member boards of education.

In addition, PCS is teaming up with Carahsoft Technology Corp., The Trusted Public Sector IT Solutions Provider™, to further strengthen its service offerings. Carahsoft, known for supporting Federal, State, and Local Government agencies, as well as Education and Healthcare markets, delivers solutions for Cybersecurity, MultiCloud, DevSecOps, Big Data, Artificial Intelligence, Open Source, Customer Experience, and more. Working with resellers, systems integrators, and consultants, Carahsoft's sales and marketing teams provide industry-leading IT products, services, and training through hundreds of contracts.

[Anthony Mongeluzo](#), President of PCS, commented on the partnership saying, "We are excited to join forces with the New Jersey School Boards Association and Carahsoft. These partnerships underscore our commitment to enhancing the educational experience through superior IT support. Our customizable IT solutions are designed not just to resolve current issues but to anticipate and mitigate future challenges, ensuring that schools can focus on what they do best — educating."

About PCS
