

Trailblazing Book "Innovative Leadership & Followership in the Age of AI" Now Available on Audible and Kindle

In an era where technology is driving the need for transformation at an unprecedented pace, traditional leadership models demand a profound evolution.

COLUMBUS, OHIO, UNITED STATES, June 4, 2024 /EINPresswire.com/ -- The groundbreaking book Innovative "Leadership & Followership in the Age of AI" is now available in audio format on Audible, Amazon's audiobook platform. Co-authored by a team of experts from the [Innovative Leadership Institute](#), Uniform Services University ACSI Labs, IBM, and the United Nations, it explores the transformative impact of artificial intelligence (AI) on leadership. It provides practical guidance for leaders at all levels to navigate the ever-changing work landscape.

Cover Innovative Leadership & Followership In the Age of AI Audiobook

The Audible version of [Innovative Leadership & Followership in the Age of AI](#) is narrated by Dan Mushalko, a seasoned narrator with a captivating and engaging voice and co-author of the book. The audiobook is now available, making it ideal for leaders and professionals seeking to stay ahead of the curve in the AI era during summer travels.

"We are thrilled to make Innovative Leadership & Followership in the Age of AI available in audio format," said Maureen Metcalf, CEO of Innovative Leadership Institute. "AI is rapidly transforming the way we work and lead, and we believe that this audiobook will be an invaluable resource for leaders who want to develop the skills and knowledge they need to thrive in the future of work."

In Innovative Leadership & Followership in the Age of AI, readers will learn:

- How AI is changing the landscape of work and leadership
- The key skills and qualities that leaders need to develop to succeed in the AI era
- Practical strategies for leading and following in a world of AI
- Examples of organizations that are successfully using AI to drive innovation and growth

AI Leaders and experts have praised the book for its insightful and practical approach

“Innovative Leadership & Followership in the Age of AI is an essential read for any leader who wants to understand

the impact of AI on their organization and how to prepare for the future,” said [Neil Sahota](#), Contributing Author., CEO of ACSI, Labs, Lead United Nations (UN) AI Advisor, IBM Master Inventor, and author of *Own the A.I. Revolution*. “The book contains practical insights and actionable strategies that leaders can use daily to navigate the AI revolution.”

“

To start leading your human and machine workforce, leaders must master ten critical skills. This book will share how to do that and essential frameworks to factor in contextual understanding.”

Neil Sahota, CEO of ACSI, Labs, UN AI Advisor

The Audible version of Innovative Leadership & Followership in the Age of AI is available on Audible.com.
