“

Capulet Fest 2024 exists to give modern rock fans what they want. The unification under the banner of rock for one unforgettable 3-day weekend! Capulet Fest 2024 - Come Rock This June!”

Estevan Vega, Founder

Capulet Fest exists to give modern rock fans what they want. In the last decade, Capulet Entertainment has thrown a number of memorable shows, but none as impactful upon the scene as Capulet Fest. Uniting under the banner of rock for one unforgettable weekend of excitement, head-banging, bomb food, and pandemonium in its purest form. 2024 will never be the same. Come rock with the best this June and experience huge arena sized bands in the tradition of what rock is meant to be - UP Close and LOUD.

Year one was the warning. Year two was the arrival. Year three will be the takeover. Come, defy the stars.
