Building upon the success of the original device, Zzoma Plus introduces advanced patient adherence tracking and enhanced clinical efficacy data collection. These improvements will help physicians optimize treatment, ensuring the best possible results for their patients.

"Zzoma Plus represents the next step in our journey. We're leveraging insights from 15 years of clinical use with cutting-edge technology to empower physicians and patients with more

personalized and effective solutions.”

ZZOMA + SLEEP SPECIALISTS: A COMPREHENSIVE SYSTEM FOR IMPROVED SLEEP HEALTH

Sleep Specialists is also announcing a partnership with SleepScore to offer the clinically-validated SleepScore companion app alongside Zzoma therapy. This comprehensive system empowers patients to track their progress, stay motivated, and experience the full benefits of improved sleep health.

ZZOMA + SLEEP SPECIALISTS: A COMPREHENSIVE SYSTEM FOR IMPROVED SLEEP HEALTH

Sleep Specialists is launching a major clinical trial comparing the use of [Zzoma Positional Therapy](#) to CPAP on Cardiovascular Dysfunction in Sleep Apnea. This research underscores Zzoma's commitment to advancing sleep solutions and offering physicians and patients data-driven treatment choices.

ZZOMA + SLEEP SPECIALISTS: A COMPREHENSIVE SYSTEM FOR IMPROVED SLEEP HEALTH

Sleep Specialists, LLC is a rapidly growing medical device and services company dedicated to developing innovative solutions for sleep-related disorders. Their flagship product, Zzoma, is a clinically proven, FDA-cleared positional therapy device for Positional Obstructive Sleep Apnea (OSA). Sleep Specialists is experiencing substantial momentum, marked by:

- Strategic partnership with First Nation, expanding access to Zzoma in government hospitals.
- Investment in US manufacturing, ensuring product availability and domestic production.
- Over 1,800 physicians and 1,300 sleep centers prescribing Zzoma, demonstrating growing recognition of its value in treating OSA patients.

□□□□: Zzoma Plus is currently under development and has not yet received FDA clearance.
