

AVLGEAR Celebrating 33rd Years of Excellence in Pro Audio, Video, and Lighting

Leading provider of pro audio, video, and lighting products and services has reached a new milestone.

SANTA FE SPRINGS, CALIFORNIA, UNITED STATES, June 3, 2024 /EINPresswire.com/ -- [AVLGEAR](#), a leading provider of professional audio, video, and lighting (AVL) equipment and services, is celebrating its 33rd year in business. Since 1991, the company has been helping customers nationwide and internationally achieve their media needs with a commitment to quality products, exceptional service, and expert knowledge.

"We are incredibly proud to reach this milestone," said David Yang, CEO of AVLGEAR. "From our humble

beginnings serving the Southern California Korean community to becoming a trusted resource for customers across the nation, it's been an exciting journey. We are grateful for the continued support of our loyal customers and partners."

AVLGEAR's story began in 1984 when David Yang immigrated from South Korea and recognized the growing demand for pro audio, video, and lighting equipment in Los Angeles. He founded Laservision World, which quickly became the number one event production and house of worship design and installation provider in the Southern California. Recognizing the potential of the online shopping industry, David established AVLGEAR to provide customers with a convenient way to purchase professional equipment.

Over the past three decades, AVLGEAR has grown into a respected industry leader. The company offers a comprehensive selection of pro audio, video, and lighting products from top manufacturers. With over 300 authorized dealerships, AVLGEAR ensures customers have access

to the latest and most trusted equipment.

In addition to its extensive product selection, AVLGEAR provides a range of services to meet customer needs. The company offers system design and integration services to help customers create customized solutions for their specific applications. AVLGEAR's experienced team can also provide consultation services to ensure customers select the right equipment for their projects.

"We understand that every customer has unique needs," said Yang. "Our team of experts is dedicated to providing personalized service and support to help our customers achieve their goals."

With over three decades of industry experience and partnerships with over 300 authorized dealerships, AVLGEAR is equipped to meet all your media needs. From small conference room installations to large-scale Hollywood award show productions, we ensure seamless signal flow for successful projects. Our commitment to competitive prices, exceptional customer service, and comprehensive product offerings makes us a trusted partner in your media endeavors.
