- * "Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.
- * "Do you recall the names of shipmates-coworkers who might have witnessed your exposure to asbestos?
- * "Did you have more than one job in the navy-armed forces where you might have been exposed to asbestos?
- * "Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?"
- * "Has your loved one's doctor told you that mesothelioma is a distinct possibility-but because they are so sick-weak-a biopsy to confirm the mesothelioma is not possible? If this is your loved one, please call us at 866-714-6466."
