PARIS, FRANCE, June 6, 2024

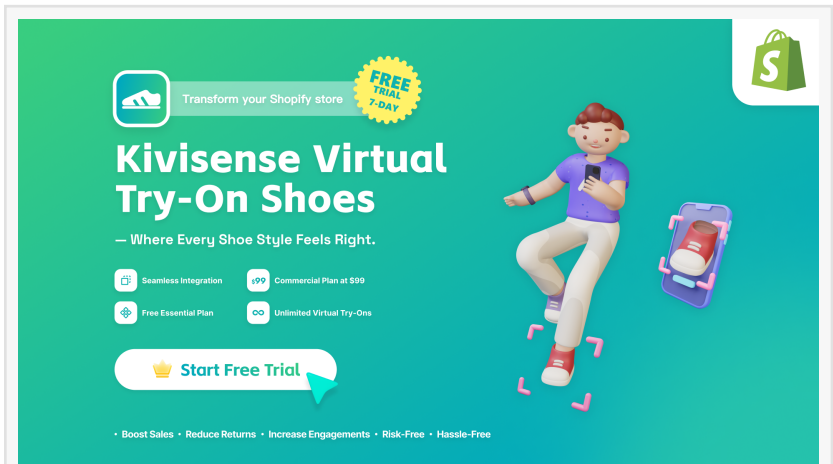

/EINPresswire.com/ -- Kivisense, a leader in AI-powered AR innovation, announces the launch of Kivisense [Virtual Try-On](#) Shoes, an advanced AR app now available on the [Shopify App Store](#). This app enables online customers to virtually try on footwear in real-time, enhancing the shopping experience and promoting customer satisfaction.

"Kivisense Virtual Try-On Shoes offers Shopify shoe stores a superior customer experience," says Steven Zhang, CEO of Kivisense. "By allowing customers to virtually try on shoes before purchasing, we aim to reduce returns, increase conversions, and support business growth."

Enhancing Sales and Customer Confidence with AR

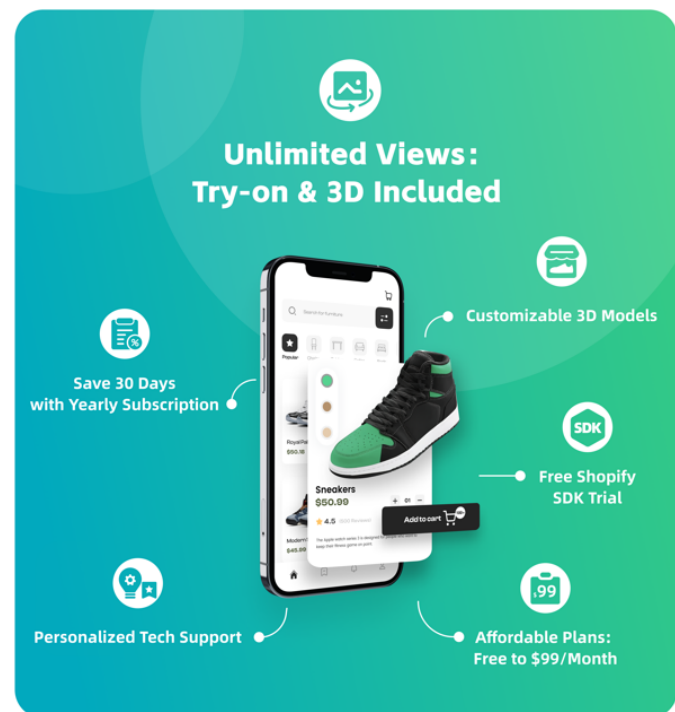

**Effortless Integration:** The app integrates seamlessly across devices, browsers, and themes, allowing stores to set up quickly.

**Unlimited AR Scans:** The feature allows for unlimited virtual try-on sessions, which can help

The banner features a green and teal background. On the left, a white box contains the text 'Transform your Shopify store' next to a magnifying glass icon. A yellow starburst graphic says 'FREE TRIAL 7-DAY'. The main title 'Kivisense Virtual Try-On Shoes' is in large white font, with the tagline '— Where Every Shoe Style Feels Right.' below it. A 3D illustration of a person in a purple shirt and white pants is shown with a virtual shoe on their foot. To the right is a purple shoe box. Below the title are four icons: 'Seamless Integration', '\$99 Commercial Plan at \$99', 'Free Essential Plan', and 'Unlimited Virtual Try-Ons'. A white button with a crown icon says 'Start Free Trial'. At the bottom, a small line of text lists benefits: 'Boost Sales • Reduce Returns • Increase Engagements • Risk-Free • Hassle-Free'. A Shopify logo is in the top right corner.
