

Doctors Anytime Powered by iDocsWeb to Provide Overnight MD Coverage to Landmark Hospital of Cape Girardeau

Doctors Anytime will provide overnight physician coverage to the small hospital in Cape Girardeau, MO

PLANO, TEXAS, USA, June 4, 2024 /EINPresswire.com/ -- Doctors Anytime, a leading telemedicine company based in Plano, Texas, is thrilled to announce a strategic partnership with Landmark Hospital of Cape Girardeau in Missouri.

This collaboration will see Doctors Anytime's state-of-the-art telemedicine platform and provider coverage integrated into Landmark Hospital's operations, significantly enhancing the facility's overnight physician coverage.

This collaboration underscores our commitment to expanding access to healthcare and supporting regional hospitals in delivering exceptional medical services."

Dr. Suresh Nellore, CEO

As part of this partnership, Doctors Anytime will provide comprehensive overnight [telehealth](#) services, ensuring that patients at Landmark Hospital receive continuous, quality medical care around the clock. This initiative aims to address the challenges of staffing shortages and improve patient outcomes by leveraging advanced telehealth technology.

"We are excited to partner with Landmark Hospital of Cape Girardeau and bring our telemedicine expertise to their community," said Dr. Suresh Nellore, CEO of Doctors

Anytime. "Our platform is designed to offer seamless, real-time medical consultations, which will greatly benefit patients needing overnight care. This collaboration underscores our commitment to expanding access to healthcare and supporting regional hospitals in delivering exceptional medical services."

iDocsWeb Telemedicine has been in business since 2013.

care, will now be able to ensure that their patients have immediate access to board-certified physicians throughout the night. This partnership not only enhances the hospital's capability to provide continuous care but also alleviates the workload on their in-house medical staff, allowing them to focus on providing personalized attention during daytime hours.

The telemedicine services provided by Doctors Anytime will include real-time video consultations, electronic medical record (EMR) integration, and remote patient monitoring, ensuring that Landmark Hospital's patients receive comprehensive care without delay.

Doctors Anytime's innovative telemedicine solutions are designed to meet the needs of modern healthcare facilities, providing flexibility, efficiency, and superior patient care. By partnering with regional hospitals like Landmark, Doctors Anytime continues to lead the way in transforming healthcare delivery through technology.
