

Healthy Horizons Wins 2 Awards For Supporting Parents In California Business Awards' Inaugural Year

Healthy Horizons wins big at California Business Awards! Top honors for chest/breastfeeding support programs and empowering families.

SAN FRANCISCO, CA, USA, June 5, 2024 /EINPresswire.com/ -- Healthy Horizons, the leading provider of [workplace lactation services](#), is thrilled to announce it has been recognized with two prestigious awards from the California Business Awards in its inaugural year.

Healthy Horizons was honored with the award for Best New Parent

Employee Breastfeeding Program Specialists. This award acknowledges the company's innovative and effective programs that empower workplaces to support their employees on their workplace lactation and new parent journeys. Additionally, Healthy Horizons received the accolade for Most Empowering Breastfeeding Support Company. This recognition highlights the company's dedication to providing comprehensive and compassionate care to families throughout their chest/breastfeeding experiences.

Cassi Janakos, COO of Healthy Horizons shared "We are proud to be recognized with these awards. They underscore the effectiveness of our programs in empowering workplaces to create comfortable and compliant lactation rooms and new parent programs for their employees."

The California Business Awards 2023, launched by New World Report, is a prestigious program designed to celebrate the outstanding achievements of businesses operating within the state. This inaugural event acknowledges the remarkable success stories, innovations, and contributions made by companies across various industries in California's vibrant business landscape. The awards program shines a light on businesses of all sizes, from startups to established corporations, recognizing the entrepreneurial spirit that drives the California business community.

These awards underscore the effectiveness of our programs in empowering workplaces to create comfortable and compliant lactation rooms and new parent programs for their employees.”
