

# WEBR.US Introduces Affordable Small and Medium-Sized Business Websites: Starting at \$49/Month with No Upfront Cost

*Small Business Websites starting at \$49/month (billed annually)*

LOS ANGELES, CALIFORNIA, UNITED STATES, June 4, 2024

/EINPresswire.com/ -- WEBRUS, a new digital website agency based in Los Angeles, has officially launched to help small and medium-sized businesses (SMBs) create and maintain an affordable and professional online presence. Recognizing the importance of being visible online, WEBRUS aims to address the main challenges SMBs face in establishing a strong digital footprint.

## Tackling Online Challenges for SMBs

WEBRUS understands that SMBs often struggle with high costs, technical difficulties, and the time required to manage a website. To make it easier, WEBRUS offers:

**Affordable Pricing:** With plans starting at \$49/month (billed yearly) and NO upfront design fee, businesses can afford a professional online presence without high costs.

**Comprehensive Services:** From custom website design and development to SEO and speed optimization, WEBRUS provides all-inclusive packages. Each plan includes AWS hosting, an SSL certificate, and 1 hour of free updates per month for text and image changes.

**Quick Launch:** WEBRUS ensures websites are ready within 14 days, allowing businesses to start benefiting from their online presence quickly.
