

Kaden & Kai Presents Innovative Bicycle Tube Jewelry Collection at 2nd Annual Living Art Fashion Show in Boston

Kaden & Kai carves out a niche in the fashion industry by transforming ordinary bicycle tubes into wearable works of art

LEXINGTON, MA, USA, June 5, 2024 /EINPresswire.com/ -- [Kaden & Kai](#), renowned for their innovative jewelry designs crafted from upcycled bicycle tubes, is set to make an appearance at the 2nd Annual Living Art Fashion Show in Boston, Massachusetts. The event is this Saturday, June 8, 2024, at the Boston Convention and Exhibition Center located in the Boston Seaport. Kaden & Kai will showcase their latest jewelry collection inspired by budding leaves, blooming flowers and creeping vines.

"We are thrilled to be an exhibitor at the 2nd Annual Living Art Fashion Show," said Lisa Cassidy, Founder and Designer for Kaden & Kai. "We applaud Taneshia Camillo-Sheffey and her team from MadeINcubator, for creating a forum for creators and designers to learn, build and showcase their work. At Kaden & Kai, we have worked tirelessly to create something beautiful and unexpected. We are proud to showcase our work at this two-day, Boston-based event centered around fashion forward thinking."

FIRST FASHION INCUBATOR IN BOSTON. MadeINcubator is the City of Boston's first fashion incubator. MadeINcubator is an international hub that fosters business innovation in the fashion and business industry while partnering with communities and organizations to help businesses and designers get the information, connections and the tools they need to succeed.

According to Taneshia Camillo-Sheffey, Founder for MadeINcubator, "Our goal is to provide

exceptional fashion designers and creative entrepreneurs the technical product development, resources, business tools and training they need to create innovative products and competitive businesses based in Boston.” Taneshia was recently featured on NBC10 Boston’s, [The HUB Today](#), to share with viewers what they can expect from the 2nd Annual Living Art Fashion Show.

SUSTAINABILITY AND ARTISTIC EXCELLENCE. Kaden & Kai has carved a niche in the fashion industry by transforming ordinary bicycle tubes into wearable works of art. Kaden & Kai uses negative space, minimalist design and unrelenting precision to make ordinary bicycle tubes extraordinary. Each piece is a testament to their dedication to sustainability and artistic excellence.

THE FUSION OF ART AND FASHION. The Living Art Fashion Show is more than just a runway event; it is a celebration of creativity and innovation in fashion. This year's theme emphasizes the intersection of art and wearable design, aligning perfectly with Kaden & Kai's philosophy of creating pieces that are as much art as they are accessories.

“

At Kaden & Kai, we have worked tirelessly to create something beautiful and unexpected. We are proud to showcase our work at this Boston-based event centered around fashion forward thinking.”
