 “I’ve been thinking about you a lot lately, and I’ve been wondering how you’re doing. I hope you’re happy and healthy. I’ve been busy with work, but I’ve managed to find some time to write this letter. I’ve been thinking about the good times we’ve had together, and I’ve been thinking about the future. I’ve been thinking about the things we’ve done together, and I’ve been thinking about the things we’ve learned. I’ve been thinking about the love we’ve shared, and I’ve been thinking about the life we’ve built. I’ve been thinking about the joy we’ve found, and I’ve been thinking about the peace we’ve found. I’ve been thinking about the happiness we’ve found, and I’ve been thinking about the love we’ve found. I’ve been thinking about the life we’ve built, and I’ve been thinking about the future. I’ve been thinking about the things we’ve done together, and I’ve been thinking about the things we’ve learned. I’ve been thinking about the love we’ve shared, and I’ve been thinking about the life we’ve built. I’ve been thinking about the joy we’ve found, and I’ve been thinking about the peace we’ve found. I’ve been thinking about the happiness we’ve found, and I’ve been thinking about the love we’ve found. I’ve been thinking about the life we’ve built, and I’ve been thinking about the future.”

"I have a question about the new policy. It seems a bit confusing. Can you explain it to me? I want to make sure I understand it correctly. Thank you."
