TESTIMONIALS

Dear Mr. Mero:

Today we received Monet's Cliff Walk...our fourth painting from your fine gallery. It took my breath away. I am so thrilled because it is even lovelier than I imagined. All of the paintings are of exceptional quality. They look wonderful in our home. I appreciate all the assistance and advice you gave me in selecting the right painting for the right spot. We could not be more pleased. Rest assured, we will call you in the future should we need more art.

Sincerely,

Mr. & Mrs. H. L. Esdel

Dear Mr. Mero:

I wanted to let you know how happy we are with our latest painting of "Spring" by Cot. Our daughter Michele says it is now her favorite. I tell everyone our 3 paintings from you are like our 3 children. I love each one and have no favorites! "Spring" is such a wonderful compliment in our living room across from "Storm", also by Cot. We are so pleased with the frame, it is just perfect with everything else in the room! I am enclosing photos for you to keep. We are also thrilled with "Abduction of Psyche", by Bouguereau, in our Master Suite. We are now looking forward to receiving "Mother and Children", by Bouguereau, for our family room. Edward you have been a joy to work with and we have learned to trust your judgment with the framing. Being the perfectionist that I am, I am not easy to please. Your service is excellent and you go the extra mile, which is almost a lost art in this day and age. It was so exciting to meet you and visit your gallery. We were impressed with the scope of works you have in stock. Please feel free to use me as a reference any time. I will be happy to talk with anyone if they would like to call me. Thank you.

Joyfully,

Kathy Ivec
