The poignant lyrics reveal Martin's inner conflict: she never aspired to be the flawless icon others expected her to be. "I never wanted to be this 'perfect' thing or pretend that I am," she confesses. "But at the same time, I hesitate to shed that image. What if people think less of me?"

"Perfect is a cage, not a compliment," Martin declares in the chorus, her velvety voice resonating with raw emotion. The track's haunting melody underscores the vulnerability of her message. "I've tried to hide the broken parts of myself," she continues, "so you could still want me."

"Perfect" is a powerful anthem for anyone who grapples with societal expectations and yearns for acceptance. Martin's authenticity shines through, inviting listeners to embrace their own imperfections.
