

Yazdani Aesthetics Introduces Sciton diVa Laser for Revolutionary Feminine Rejuvenation

LONDON, ONTARIO, CANADA, June 12, 2024

[/EINPresswire.com/](#) -- [Yazdani Aesthetics](#), a leading medical boutique in London, Ontario, is thrilled to announce the addition of the Sciton diVa laser to its range of advanced aesthetic procedures. The Sciton diVa laser is a cutting-edge treatment designed to rejuvenate and revitalize feminine wellness, offering a non-invasive solution for women seeking to enhance their [intimate health](#).

Located in the heart of London, Ontario, Yazdani Aesthetics is renowned for its unique blend of advanced plastic surgery and minimally invasive aesthetic procedures, all delivered by top professionals in the field. The clinic is housed in a beautifully restored 130-year-old building on the south-west corner of Oxford and Waterloo Streets, providing a warm and inviting space for clients to feel comfortable and at ease.

The Sciton diVa laser is a state-of-the-art treatment that addresses a variety of feminine wellness concerns, including vaginal laxity, dryness, and urinary incontinence. The diVa laser works by delivering dual wavelengths of laser energy to the vaginal tissue, stimulating collagen production and improving overall vaginal health.

"We are thrilled to offer the Sciton diVa laser at Yazdani Aesthetics," says [Nadine Sabino](#), RN at Yazdani Aesthetics. "This innovative treatment allows us to provide our clients with a non-invasive solution for feminine rejuvenation, helping them feel more confident and comfortable in their own skin."

The Sciton diVa laser offers numerous benefits, including:

- Improved vaginal tone and tightness

Nadine Sabino, RN with diVa laser

- Increased lubrication and decreased dryness
- Reduction in urinary incontinence symptoms
- Enhanced sexual satisfaction
- Non-invasive with minimal downtime
