

# Homeless Man Launches Website Dedicated to Cats After Successful GoFundMe Campaign

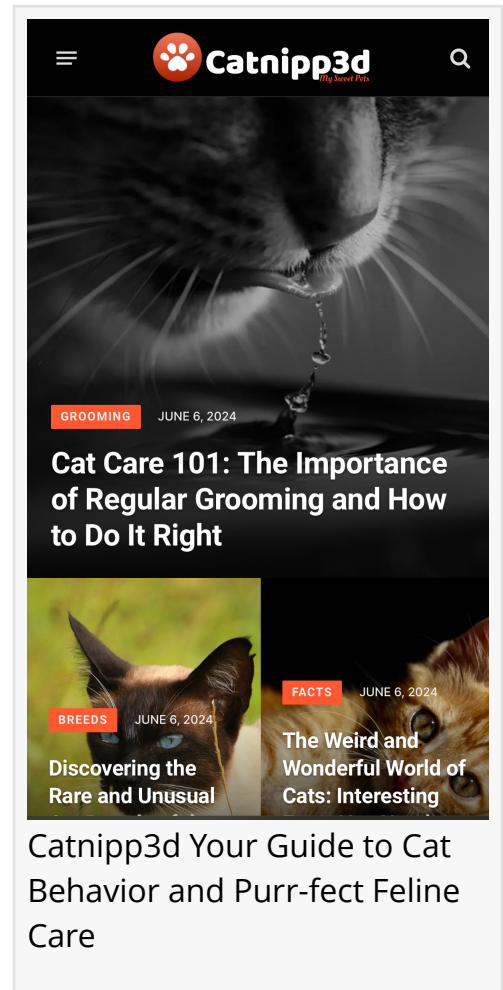

REDLANDS, CALIFORNIA, UNITED STATES, June 13, 2024

/EINPresswire.com/ -- Jonathan Vishio, a homeless man who has captured the hearts of many with his love for his cat Patches, has recently launched a new website dedicated to cats. This comes after a successful GoFundMe campaign that helped him showcase his passion for felines. After being homeless for a year, Vishio was devastated when he had to give Patches to a rescue so she could have her kittens. However, after catching a virus at the rescue, all of her kittens were euthanized and Patches was hospitalized for 6 days. It was then he decided to make sure patches' story would never be forgotten by dedicating a website to her.

Vishio's story has touched the hearts of many, and his love for cats has inspired people to come together and support his cause. After losing his job and home, Vishio and Patches were left to fend for themselves on the streets. Despite his difficult circumstances, Vishio never gave up on his beloved cat and did everything he could to provide for her even when there was no money for food. However, with the help of generous donors through his GoFundMe campaign, Vishio was able to provide for Patches and himself and create [catnipp3d.com](https://catnipp3d.com).

The new website, dedicated to Patches, is a testament to Vishio's love for his cat and all cats in general. The website features heartwarming stories, photos, and videos of Patches and her kittens, along with information on how people can help homeless cats in their community. Vishio hopes that the website will not only honor Patches but also raise awareness about the struggles of homeless cats and inspire others to take action.

Vishio's story is a reminder that even in the most challenging times, love and compassion can prevail. His dedication to Patches and his passion for cats have inspired many, and his new website is a testament to the power of love and community. “

We've faced a lot of adversity this last year and what I'll always remember is patches right there by my side never doubting that I would get us out of this somehow. Catnipp3d.com is our first step.”
