

Zapped Headwear Adds Full Color Hat Customization Option

Option allows customers to get full color customized hats within two weeks of ordering.

SPANISH FORK , UTAH, USA, June 6, 2024 /EINPresswire.com/ -- Zapped Headwear, the leader in premium performance [custom hats](#) added a new full color hat decoration option. This option allows hat buyers to customize a leather or rubber patch in a full color UV print. This allows for some awesome designs and removes the limitation of single color laser engraving. Customers may upload their image online on Zapped Headwear's custom hat live mockup generator. They simply choose a hat model and color upload their design a fine tune it to their liking. They can then add the custom hats to their cart and checkout. Zapped will then manufacture the custom patches, sew them on premium hats and ship them out to the customer.

This capability is added to the existing hat customization options as follows:

- Molded Rubber PVC Patches
- Laser Engraved Leather Patches
- Embroidery
- Silicon Heat Transfer
- Sublimated Patches
- Woven Patches

Printed Rubber PVC Patches
Magnetic and Pinned Embellishments
Various Flexstyle Patches
Holographic Patches

Ideas for custom hats may be found on Zapped Headwear's website on their [custom hat inspiration](#) page.
