There has never been a project like this, where well-known Christian musicians from various genres each wrote and recorded a song on how taking care of Creation is to glorify God. The artists felt called to the project, and each has a unique story to tell about why they joined and wrote their song.

To date, eight songs and two music videos, Joel's "Arms Around the World" and MORIAH's "You Mean the World," have been released from the project representing a diverse set of rock, pop, hip hop, R&B, indie, folk/ Americana and more musical genres. Along with a sizzle reel and two short documentaries from [Oslo, Norway](#) and Rome, Italy, the project has also been featured by WSMV TV 4 (NBC Nashville), K-LOVE On Demand, Rapzilla, CCM, Catholic Faith Network, Shout! Outdoor Lifestyle Magazine and many other outlets internationally.

A New Heaven And A New Earth tracks already released include: Roy's "It's All Yours;" Joel's "Arms Around The World;" MORIAH's "You Mean The World;" Cole's "Together;" Tyler's "So Will I;" Waterdeep's "Into the Unseen;" Gray's "Awestruck (On My Way Home);" and Don Chaffer, Joel, Gray and Roy's "Our Common Home."

Church leaders from around the world welcomed "Our Common Home" with joy last fall, declaring, "These artists felt called to express how care for Creation glorifies God." The note was signed by:

- His Eminence Cardinal Peter K.A. Turkson, The Pontifical Academy of Sciences, The Vatican
- His Eminence Elder Metropolitan Emmanuel of Chalcedon, Ecumenical Patriarchate
- The Most Reverend Justin Welby, Archbishop of Canterbury
- The Most Reverend Michael Curry, Presiding Bishop & Primate, The Episcopal Church

- The Most Reverend Dr. Olav Fykse Tveit, Presiding Bishop, Church of Norway, former General Secretary of the World Council of Churches

The recording also has an intergenerational aspect as several of the artists' children are integrally involved.
