

Qbic Technology Debuts Appspace-Certified Lineup to Transform Hybrid Workspaces

NEW TAIPEI CITY, TAIWAN, June 7, 2024 /EINPresswire.com/ -- Qbic Technology proudly unveils new Appspace-certified devices, solidifying its position as a frontrunner in enhancing in-office experiences for hybrid workforces with Appspace, the leading unified workplace experience platform.

Qbic's newly Appspace-certified lineup is a comprehensive solution that meets the demands of evolving hybrid work environments. From space management to corporate communication devices that seamlessly integrate with the Appspace platform and mobile app, employers are now equipped to elevate connectivity, productivity, and collaboration within hybrid work environments.

Among the newly certified devices are the iF Design Award 2024 winner [TD-0360 BookBuddy](#) for desk booking and the [TD-1070](#) and TD-1060 Slim meeting room booking panels. These purpose-built panels feature vibrant LED indicators for easy at-a-glance availability and support ESG goals with built-in energy-saving features.

Maintaining employee engagement and consistent corporate communications is vital in hybrid workspaces. Qbic enhances workplace efficiency and culture with its robust, Appspace-certified digital signage players, BXP-300 and BXP-320, ensuring employees are informed and engaged in a hybrid office.

"For many organizations, traditional desks and assigned offices have become a thing of the past," says Primo Shao, CEO of Qbic Technology. "Through strengthening our long-time partnership with Appspace, we are pioneering the future of the hybrid office experience, providing seamless

access to essential workspaces and tools that enhance productivity and create an engaging work environment.”

“Driving employee productivity is not a new business challenge,” says Paul Alley, Vice President, Global Partnerships at Appspace. “However, many organizations today recognize the importance of aligning productivity with the employee experience. Our mission at Appspace is to provide employees with a consumer-like, frictionless way to work regardless of their location, saving time and enhancing the workspace experience.”

Building on the success of the award-winning TD-0350 Desk Booking Panel, one of Qbic's first Appspace-certified products, we have further strengthened our collaboration with Appspace through this latest certification of Qbic devices.
