This campaign aims to bring the excitement and strategy of the stock market to living rooms everywhere.

Market Mayhem combines the essentials of finance with [dynamic gameplay](#), making it an ideal game for enthusiasts, educators, and casual players alike.

“

Market Mayhem is more than just a game; it's a tool for sparking conversations about personal finance and fostering a deeper understanding of global market dynamics.”

*James, co-founder of Flyer Brothers*

"Our journey began during our junior year at the University of Dayton in Ohio, where we first met," said Lincoln, co-founder of Flyer Brothers. "After a reunion in early 2023, we felt inspired to create a game that merges our passion for finance and fun. What started as a simple prototype on a Florida patio has evolved into a polished and tested game ready for launch."

Flyer Brothers is excited to announce that they have already reached their Kickstarter funding goal of \$5,000,

thanks to the overwhelming support from backers. This milestone ensures that Market Mayhem will become a reality, and production will commence as planned.

Key Features of Market Mayhem:

- Educational and Engaging: Blends tactical decision-making with the unpredictability of the stock market, offering a learning experience within a competitive and interactive framework.
- Dynamic Gameplay: Players buy and sell stocks, manage portfolios, and react to market events through various game mechanics.
- Interactive Elements: Market Mayhem cards introduce real-world market events that can shift
