

# Finnish Food Packaging Manufacturer Carccu® secures prestigious certifications

SASTAMALA, FINLAND, June 7, 2024 /EINPresswire.com/ -- [Carccu®](#), a Finnish leader in paper packaging, is setting [new benchmarks in sustainable food packaging](#). The company recently achieved key environmental milestones, underscoring its commitment to eco-friendly practices and superior production standards.

In 2023, Carccu® secured notable certifications from the Programme for the Endorsement of Forest Certification (PEFC) and the Forest Stewardship Council (FSC). These certifications validate Carccu's dedication to sourcing materials from responsibly managed forests, supporting biodiversity, and combating climate change. With endorsements from reputable organizations like WWF and Greenpeace, Carccu reinforces its role as a champion of sustainable practices.

## Commitment to International Standards

The PEFC and FSC certifications are a part of Carccu®'s long-term efforts in sustainability. Carccu's commitment to sustainability is further evidenced by its ISO 9001 and ISO 14001 certifications. These international standards highlight the company's focus on quality management and environmental responsibility, cementing its status as a Finnish leader in [eco-friendly food packaging solutions](#).
