Beat Based Music Therapy at LAOP

Why:

This event is a wonderful opportunity to celebrate the conclusion of Pride Month with a day of learning, connection, and community spirit. LAOP is committed to providing a welcome, safe, engaging, and inclusive environment for individuals seeking mental health treatment. With a skilled and passionate team that values inclusivity, compassion, collaboration, and respect, LAOP is dedicated to destigmatizing mental illness while empowering individuals to thrive as they are supported throughout their journey towards mental health.

About LAOP:

Los Angeles Outpatient Center (LAOP), located in Culver City, California, is a premier adult outpatient clinic specializing in mental health. LAOP offers comprehensive care through full-day Partial Hospitalization Programs (PHP) and half-day Intensive Outpatient Programs (IOP), designed with customized, evidence-based treatment plans tailored to meet each client's unique needs. LAOP's transformative approach integrates both individual and group therapy, utilizing a diverse range of therapeutic modalities. From EMDR psychotherapy and Transcranial Magnetic Stimulation (TMS) to Somatic Experiencing, Beat-based Movement Therapy, Art, Yoga, and more, LAOP is dedicated to providing holistic and innovative care that empowers individuals on their journey to mental wellness. LAOP is part of the [Centered Health](#) network of treatment centers in California. Laopcenter.com centeredhealth.com
