

# American Dream Attractions Achieve Certified Autism Center™ Designation to Enhance Accessibility

EAST RUTHERFORD, NEW JERSEY, UNITED STATES, June 9, 2024 /EINPresswire.com/ -- [American Dream](#), a premier entertainment destination, receives the [Certified Autism Center™](#) (CAC) certification for 7 onsite attractions - Angry Birds Mini Golf, Blacklight Mini Golf, Tilt Museum, Mirror Maze, The RINK, Dreamworks Water Park, and Nickelodeon Universe.

The CAC designation is awarded by the International Board of Credentialing and Continuing Education Standards (IBCCES), to organizations who have completed training and certification in order to better welcome autistic and sensory-sensitive visitors.

“

“We are very proud of this certification which recognizes our dedication to ensuring that all individuals, regardless of ability or sensory sensitivities, can fully enjoy our attractions at American Dream,” said Bryan Gaus, Senior Vice President and General Manager of American Dream. “These inclusive resources enable individuals and families to visit American Dream in a way that aligns with their specific needs more than ever before.”

The certification process also included an onsite review of the attractions to provide additional recommendations for accessibility, along with detailed sensory guides to be shared with visitors so they can better understand what to

expect from the sensory experience prior to their visit.

“We’re thrilled to see American Dream’s commitment to inclusivity and dedication to enhancing the guest experience for autistic and sensory-sensitive individuals. This certification not only highlights their efforts to create a welcoming environment but also sets a standard for other

entertainment and destinations to follow," said Myron Pincomb, board chairman of IBCCES.

For more than 20 years, IBCCES has been the industry leader in cognitive disorder training and certification for education, healthcare, and corporate professionals around the globe. IBCCES provides evidence-based training and certification programs created in conjunction with clinical experts and autistic individuals to provide professionals with a better understanding of how to communicate and interact with individuals with cognitive differences or sensory needs, industry best practices, and the latest research in these areas.

IBCCES also created [AutismTravel.com](http://AutismTravel.com) as a free online resource for parents that lists certified locations and professionals. Each organization listed on the site has met Certified Autism Center™ (CAC) requirements.
