

Tennessean Names EvidenceCare a Winner of the Top Workplaces 2024 Award

EvidenceCare ranked No. 5 of 67 companies awarded in the small business category.

BRENTWOOD, TN, USA, June 10, 2024 /EINPresswire.com/ -- [EvidenceCare](#), a leading innovator in clinical workflow software, has been awarded a Top Workplaces 2024 honor by Tennessean Top Workplaces.

Of the 67 companies awarded in the small business category, EvidenceCare ranked No. 5 and also received a specialty award for "Communication" based on the highest score for [employee feedback](#) of feeling "well informed about important decisions in this company."

“

This award belongs to our amazing employees. They are the heartbeat of our company...”

Bo Bartholomew, CEO of EvidenceCare

This list is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The confidential survey uniquely measures the employee experience and its component themes, including employees feeling Respected & Supported, Enabled to Grow, and Empowered to Execute, to name a few.

“Earning a Top Workplaces award is a badge of honor for

companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

EvidenceCare was honored for its top ranking and specialty award among other top workplaces in an awards ceremony last week at the Music City Center in Nashville, TN.

“This award belongs to our amazing employees,” said Bo Bartholomew, CEO of EvidenceCare.

“They are the heartbeat of our company, and their commitment to creating a positive and productive work environment is what truly makes this a top workplace.”
