VisibilityOne Receives 2024 MSP Today Product of the Year Award

VisibilityOne Honored by the Managed Service Partner Community for Exceptional Innovation and Successful Deployment Through The Channel
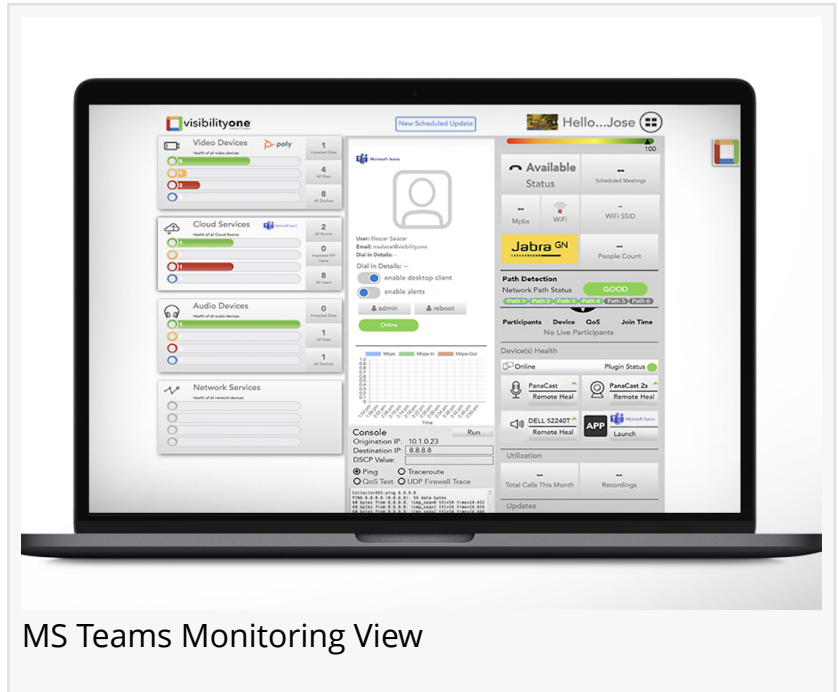

LOS ANGELES, CA, UNITED STATES, June 10, 2024 /EINPresswire.com/ -- [VisibilityOne](#) announced today that TMC, a global, integrated media company helping clients build communities via in person and digital marketing campaigns, has named VisibilityOne as the 2024 MSP Today Product of the Year Award winner.

MS Teams Monitoring View

"This recognition from MSP Today as 2024's Product of the Year is incredibly rewarding, especially considering VisibilityOne's journey," said, Jose De La Paz CEO, VisibilityOne. "In 2018, we set out to address a critical gap in the market - the lack of a vendor-agnostic cloud-based monitoring solution for video conferencing and unified communications. This award validates our vision and the dedication of our team. VisibilityOne's patented technology empowers MSPs and enterprises with real-time, actionable insights across platforms, enabling them to optimize collaboration tools and their technical support management practice. We remain committed to driving innovation and helping businesses thrive in today's ever-evolving technological landscape."

"It gives me great pleasure to honor VisibilityOne as a 2024 recipient of TMC's MSP Today Product of the Year Award for their innovative solution", said Rich Tehrani, CEO, TMC. "Our judges were very impressed not only with the features and value of the solution, but also with VisibilityOne's Channel strategy to expand their market share and provide first class service to their customers."

Winners of the 2024 MSP Today Product of the Year Award will also be announced online and highlighted in MSP Today.

About VisibilityOne

Empowering Hybrid Work: VisibilityOne Quiets Collaboration Chaos

VisibilityOne simplifies the complexities of managing video conferencing and unified communications in today's hybrid work environment.
