TAMPA , FLORIDA, USA, June 11, 2024
/EINPresswire.com/ -- The Florida Mesothelioma Victims Center is urging the family of a plumber-skilled trades worker who has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida to get serious about financial compensation and call the amazing legal team at the Gori Law Firm anytime at 866-532-2106. A mesothelioma compensation settlement for a plumber-skilled trades worker might be millions of dollars. A compensation settlement for a plumber or skilled trades worker with asbestos exposure lung cancer might be hundreds of thousands of dollars.

The group says, "The Gori law firm has an office in Tampa and offices nationwide. Mesothelioma and asbestos exposure lung cancer is the area of law they specialize in. Plumbers are probably the most at risk workers for developing mesothelioma or asbestos exposure lung cancer. Not far behind plumbers are electricians, welders, steamfitters-pipefitters, mechanics and machinists. We also know that because many people retire to Florida they may have been exposed to asbestos in another state. That is not a problem for the Gori Law Firm because they are licensed to practice law nationwide.

"If your loved one has just been diagnosed with mesothelioma or asbestos exposure lung cancer anywhere in Florida, please call the Gori Law Firm anytime at 866-532-2106. We are certain you will be glad you did. The Gori Law Firm has our recommendation and our endorsement in Florida for a person with mesothelioma or asbestos exposure lung cancer."
