

DrKumo to Attend the 2024 Region IX Clinical Excellence and Leadership Conference

Showcasing Revolutionary Digital Health Solutions at the 2024 Region IX Clinical Excellence and Leadership Conference in Phoenix, AZ

BUENA PARK, CALIFORNIA, UNITED STATES, June 8, 2024 /EINPresswire.com/ -- DrKumo, a leader in secure, intelligent, and proven digital health solutions, announces its invitation to the prestigious 2024 Region IX Clinical Excellence and Leadership Conference. This event, hosted by the California Primary Care Association (CPCA) and the Western Clinicians Network, will be held at the Sheraton Grand at Wild Horse Pass in Phoenix, Arizona from June 9 to June 11, 2024.

The conference, dedicated to advancing clinical and management excellence within healthcare, brings together healthcare leadership from across the region to focus health center clinical and management teams with the goal of improving overall efficiency and effectiveness in care delivery.

Clinicians, Chief Medical Officers, Medical Directors, Dental Directors, Executive Directors, State and Regional Primary Care partners, Board Members and other management positions involved with community or migrant health centers. Region IX members (Arizona, California, Nevada, Hawai'i, and the Pacific Islands) will be in attendance, but this clinical conference welcomes attendees from across the country.

"We are thrilled to be part of the 2024 Region IX Clinical Excellence and Leadership Conference. This is an incredible opportunity to showcase how our [intelligent and secure digital health solutions](#) are transforming chronic care. Our technology empowers patients and healthcare providers with real-time data and insights, ultimately improving patient outcomes and reducing healthcare costs," said Dr. Kelly Nguyen, CEO of DrKumo.
