

# Screenwriters Learn How to Turn a Screenplay into a Book: On Demand Workshop by NancyFultonMeetups

*Selling an original screenplay is hard, but turning a screenplay into a profitable book is easy with help from NancyFultonMeetups.com*

UNITED STATES, June 10, 2024

/EINPresswire.com/ -- Screenwriters who want to learn how to turn a screenplay into a book will enjoy the [“Converting a Screenplay into a Book”](#) on-demand workshop from [NancyFultonMeetups.com](#).

Producer Nancy Fulton says,

"Converting a Screenplay into a Book is

an important workshop for screenwriters who have invested thousands of hours in producing screenplays with great characters and gripping plots. Getting a script sold and produced in Hollywood these days is a time consuming, expensive, and frustrating process because many

studios aren't purchasing spec scripts. That means the vast majority of great scripts will never become films."

“

Selling an original screenplay is hard, in today's but turning a screenplay into a profitable book brings a great plot and amazing characters to audiences worldwide."

*Nancy Fulton - Writer  
Producer*

Screenwriters following the detailed instructions in this on-demand workshop can give their characters and stories a second chance to thrill people worldwide by creating and publishing a great book.

And a popular book is more interesting to producers than a spec screenplay because it has a proven audience. They know how to market the story, who is most likely to buy it, and what people love about what the writer created. This is

why Hollywood licenses so many books for production.

Learn How to Convert a Screenplay into a Profitable Book Fast On Demand Workshop from Nancy Fulton Meetups

Topics covered in this on-demand workshop include:

Tools that make turning books into screenplays much easier.

Why new trends in books actually favor screenplay authors.

How to revise and update screenplay plots and characters to make a good book work.

Choosing the right point of view and tense for your book project.
