LOS ANGELES, CA, USA, June 10, 2024 /EINPresswire.com/ -- [Stefaniya Makarova](#), renowned for her roles in "John Wick 3," "Little America," and "The Kindergarten Teacher," made a memorable appearance at the Cannes Film Festival in an unprecedented and daring outfit.

The actress arrived at the premiere of "Les Femmes au Balcon (The Balconettes)" by Noémie Merlant in a transparent bodysuit, strategically covering her upper and lower body with red rhinestones. Her choice of attire was a standout moment on the red carpet, capturing the attention of attendees and media alike.

[Stefaniya](#) explained her unique fashion decision for the premiere: "It's perfect to feed two birds with one seed! I had to go to the red carpet and the Campari event right after, which had a red dress code. And my outfit had red rhinestones. When I saw this outfit in the showroom, I knew it was perfect for both occasions. It allowed me to attend the premiere and then head straight to the Campari event without needing to change," [Makarova](#) added.
