

# Phair Windows & Glass Introduces Cutting-Edge Smart Windows with Yale SensCheck™ Technology

---

Leicester, Leicestershire – Phair Windows & Glass ([phairwindowsandglass.co.uk](http://phairwindowsandglass.co.uk)), a leading provider of high-quality windows, doors, and conservatories in Leicestershire, is proud to announce the launch of its Smart Windows, featuring the cutting-edge Yale SensCheck technology. This groundbreaking innovation in home security promises to revolutionise the way homeowners safeguard their properties, offering unparalleled peace of mind and convenience. In today's world, where home security is a top priority, Phair Windows & Glass recognised the need for a comprehensive solution that seamlessly integrates state-of-the-art technology with its exceptional range of products. By partnering with Yale, a globally renowned leader in the security industry, Phair Windows & Glass has created a truly smart and secure offering for homeowners across Leicestershire and beyond.

The Yale SensCheck technology is a discreet, integrated smart sensor system designed specifically for windows and doors. Available on Phair Windows & Glass's entire range of upvc windows leicester, composite doors, uPVC doors, and French doors, this innovative technology ensures that homeowners can monitor and manage their home's security with unprecedented ease and efficiency.

"We are thrilled to introduce our Smart Windows with Yale SensCheck technology," said Robert, Director of Phair Windows & Glass. "Our customers' safety and peace of mind have always been our top priorities, and this cutting-edge solution takes home security to new heights. With SensCheck, homeowners can stay informed and in control, whether they're at home or on the go."

The Yale SensCheck system is remarkably user-friendly and easy to install. Homeowners can check the status of their home at the touch of a button, receiving real-time updates and tamper alerts directly to their smartphones through the Yale Smart Living Home App. This innovative app allows users to keep track of their doors and windows' status from anywhere, anytime, ensuring that they are always aware of potential security threats.

Phair Windows & Glass understands that security is a paramount concern for homeowners, and the windows and doors leicester company's commitment to providing cutting-edge solutions is unwavering. With the launch of Smart Windows, Phair Windows & Glass solidifies its position as a forward-thinking and customer-centric business dedicated to delivering the latest innovations in window and door technology.

"At Phair Windows & Glass, we are constantly seeking ways to improve the lives of our customers through exceptional products and services," added Robert, Director of the conservatory, door and window company. "Our Smart Windows with Yale SensCheck technology represent the

perfect fusion of security, convenience, and cutting-edge innovation, setting a new standard for home security in Leicestershire and beyond.”

Homeowners interested in experiencing the ultimate in home security and convenience are invited to visit Phair Windows & Glass’s showroom or contact their team of experts to learn more about the Smart Windows with Yale SensCheck technology. With this innovative solution, Phair Windows & Glass continues to redefine the window and door industry, offering unparalleled quality, performance, and peace of mind to every customer.
