

Newbridge Spine & Pain Center Welcomes Irene Bwete-Mugyenzi, CRNP to its Growing Team of Pain Management Specialists

Newbridge is pleased to announce the addition of Irene to its dedicated pain management team.

WALDORF, MARYLAND, UNITED STATES, June 10, 2024 /EINPresswire.com/ -- [Newbridge](#) Spine & Pain Center of Waldorf and Prince Fredrick is pleased to announce the addition of Irene Bwete-Mugyenzi, CRNP, to its dedicated pain management team. She begins seeing patients on 6/10/24.

Irene brings over 12 years of experience in patient care to Newbridge. She has previously worked in Urgent and Palliative Care settings, where she built a strong background in providing compassionate care for her patients. Irene is passionate about comprehensive clinical interventions in chronic disease management, with a special interest in patient education to empower them to understand and better manage their conditions.

“We are thrilled to welcome Irene to our practice,” said Jay Gonchigar, M.D., Founder and Medical Director. “Her expertise will be a valuable asset to our team, and we are confident that she will provide our patients with exceptional care here at Newbridge.”

Irene Bwete-Mugyenzi, CRNP is certified by the Maryland Board of Nursing. She earned a Bachelor of Science in Nursing from Coppin State University and a Master of Science in Nursing as a Family Nurse Practitioner from Chamberlain University. She is also a member of the American Association of Nurse Practitioners.
