/EINPresswire.com/ -- Summer 2024 promises to be an exciting season for chart-topping, country music sensation, Chris Chitsey, as he is set to release his highly anticipated new single and music video, "[Every Small Town](#)", on June 20th, 2024, on Clinetel Records Nashville | Sony | Orchard. The single is already making waves across the globe, as it has been chosen as the theme song for the new entertainment reality show, "Only in Iola", which premiered in May on Roku and Amazon Fire equipped devices. With two recent number one charted radio singles, "Last Time I Saw You" & "Life is Hard, Whiskey is Easy", Chitsey promises to deliver his best work to date, with "Every Small Town"!

Chris Chitsey's latest single, "Every Small Town"

"Every Small Town", written by songwriters Rob Martin and Frank Maroney, is a tribute to the charm and character of small town America. Chitsey's rich vocals paint a picture of life in close-knit communities, resonating with listeners who cherish the simple joys found in every small town across the nation. The accompanying music video brings these themes to life, featuring scenic views and heartwarming moments that reflect the song's celebration of small town spirit.

Chitsey, known for his compelling voice and authentic country sound, expressed his excitement about the release: "I wanted to record a song that captures the essence of what makes small towns so special – the sense of community, the stories, the memories. 'Every Small Town' is a

tribute to those places and the people who make them unique. I'm thrilled that it's also the theme song for 'Only in Lola', a show that shares those same values."

"Only in Lola" follows real-life characters, Shanalee Perry, their son Braydon and their beloved dog Sadee Dei, as they trade the comforts of an upscale city life for the rugged beauty of a rural Texas ranch in Lola, Texas, to embark on a new, simpler way of life. "Every Small Town" was chosen as the theme song because of its lyrical connection to the show's celebration of small town life.

"'Every Small Town' perfectly captures the spirit of our show. It's a song that resonates with anyone who has experienced the warmth and simplicity of small town living, making it an ideal song for our series. We believe it will connect with our audience and set the tone for each episode," said Shanalee Sharboneau.

“

Chris Chitsey is breaking out the big guns for Every Small Town, and if you ask me, I think he deserves to be lauded as one of the more focused singer/songwriters in his peer group this season.”
