Crystal Design Awards Recognize Outstanding Contributions to Kitchen and Bath Design

DENVER, CO, USA, June 12, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- Senior designer Jennifer Rogers of BKC Kitchen and Bath was honored with the Grand Prize in the bathroom division of the 2024 Crystal Design Awards for their Classic Charm Master Bath. This distinguished award, presented by Crystal Cabinet Works, Inc., a prominent custom cabinet manufacturer located in Princeton, Minnesota, acknowledges outstanding kitchen and bath design from industry professionals across North America.

The Crystal Design Awards annually highlight extraordinary spaces that feature Crystal products. Judged on visual appeal, originality, design methodology, and the use of Crystal cabinetry within, the awards are a testament to design excellence.

Jennifer Rogers expressed her appreciation at receiving the award: "Collaborating with my clients on this project was an amazing experience. Our goal was to enhance the space with natural elements and modern details while staying true to the vintage style of the 1912 home. With Crystal Cabinets' custom design options, I was able to create a unique reeded-alder vanity that harmoniously complements the room. I'm delighted to receive this distinctive recognition."

BKC Kitchen and Bath has cemented a strong relationship with Crystal Cabinet Works, Inc. as a top regional dealer over the last four decades. Peggy Talberg, Crystal's VP of sales and marketing, commented, "It is always a pleasure to collaborate with BKC Kitchen and Bath. Their designers
