

# Education 2.0 Conference 2025 USA Edition To Review Phishing Scam Offenses In Education

*The upcoming education conference in the USA will explore the diverse educational landscape, including prevailing scam offenses such as phishing.*

LAS VEGAS, NEVADA, USA, June 12, 2024 /EINPresswire.com/ -- The [Education 2.0 Conference](#) is set to take place at the Luxor Hotel & Casino, Las Vegas, USA, from March 4–6, 2025. The conference aims to review and address pressing issues in the education sector, including the significant threat of phishing scams and the theft of student identities. The education conference in the USA will bring together educators, policymakers, and experts to dissect strategies and solutions for protecting student data and ensuring a secure and legitimate educational environment.

The Education 2.0 Conference is a global platform dedicated to promoting innovation and addressing critical challenges in education. For its USA 2025 Edition, attendees can expect a detailed agenda exploring diverse topics, such as innovative approaches to transforming traditional learning methods, strengthening advocacy for neurodiversity students, and preparing students for the flexible career paths of the gig economy and freelancing. Additionally, the Education 2.0 Conference will delve into critical issues like fraud, [scam offenses](#), and spam in the education landscape, including the specific problem of phishing scam offenses in education.

"Phishing scams pose a significant risk to our educational institutions and student data security. Our conference aims to tackle this issue by bringing forth leading experts to share their insights and solutions. We are committed to promoting a safe and secure educational environment," remarked Sai Narula, Manager at the Education 2.0 Conference.

Apart from diving into such critical topics, the Education 2.0 Conference will also provide valuable networking opportunities, recognition for industry leaders, and exhibit opportunities for innovative solutions in education. Attendees can enjoy the opportunity to network with colleagues and acquire fresh insights into the various challenges and prospects within the education industry.

### About Education 2.0 Conference

The Education 2.0 Conference is a global platform dedicated to addressing the most pressing issues in education today, along with the rise in fraudulent activities. Through a series of expert-led sessions, the conference aims to promote innovation and provide actionable insights for educators, policymakers, and thought leaders. The Education 2.0 Conference aims to provide a more inclusive, efficient, and secure educational environment for the future by uniting a variety of voices and perspectives.
