The Build Your Lash Program is a personalized training program that helps students develop

their unique style and techniques, positioning them to stand out in a competitive industry. Working closely with founder Quang Nguyen, students can fast-track their success, saving time and money on writing and designing their own manuals from scratch. With Quang Nguyen's 11 years of industry experience and insider knowledge, this program offers a step-by-step blueprint for building a successful lash training course.

The [8-Week Eyelash Specialty License](#) is an intensive course providing comprehensive training and certification in eyelash application, equipping students with the skills needed to excel and earn in the beauty sector. For experienced professionals looking to refine their skills, the 3 Day Master Class delivers advanced techniques in a condensed format. The Trainers Business Class is designed for those aspiring to become educators. It provides the knowledge and tools needed to lead their own classes and build a successful training business. This one-day in-person experience covers everything from business strategizing to selling out certification classes and filling up client books, ensuring continuous success in the beauty industry.

Recognizing students' diverse linguistic needs, KLA Beauty also offers all courses in Spanish through Clases en Español, ensuring inclusivity and accessibility. Additionally, the Brow Lamination & Lash Lift course expands students' skill sets to include these popular beauty treatments, enhancing their marketability and earning potential. Quang Nguyen and Yared Gonzalez believe in the power of education to change lives.
