The Singapore-based online business news portal announced the award title after analysing several nominations from other European trading firms operating in the UK.

“

“This award is the success of our program. We make sure that each one gets an experience of trading through the wide range of specialised programs. We are the most trusted firm in the industry”.

Simon M, CEO of Funded Trading Plus

Funded Trading Plus, a renowned prop trading firm, offers the most attainable scaling program in the industry, with programs built for and by real traders. [Funded Trading Plus assures that its traders meet their profit targets.](#) The ongoing internal risk review serves as guidance for the traders. Their programs are simple, transparent, and fair. Their programs are carefully designed to help customers

minimise the chances of breaching any rules for long-term success.

The jury of the World Business Outlook carefully evaluated their performance in customer

service, clarity, reliability and announced Funded Trading Plus as the winner. This award is an acknowledgement of their success and future growth. Funded Trading Plus provides a seamless trading experience with transparent rules, no time restrictions, while maintaining reliable trading conditions within their programs. The jury was impressed by their adoption of innovative technologies that helped Funded Trading Plus build a strong persona in the market. Through this award title, World Business Outlook wanted to highlight their model, which is enormously different and supports success.
