"This Father's Day I focused on a gift for my son, who is also a father," Jette shares. "I wanted to give my son Ryan a gift he genuinely wanted. The app allowed me to pinpoint such an item and ensured it wasn't duplicated by another family member. I was able to purchase a unique Irish Whiskey my son selected, giving him a desired gift that he will think of me with every drink he pours for himself or when sharing with company," Jette proudly states.
