NYC, NY, USA, June 13, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- [Cooper Consulting Group](#),

a nationwide leader in training and development, is thrilled to announce the launch of their transformative DISC Workshops.

Designed to elevate team dynamics and unlock the full potential of organizations, these workshops promise to be a game-changer in the realm of workplace collaboration.

With a staggering 86% of professionals citing ineffective communication as a major workplace challenge, Cooper Consulting Group's DISC Workshops couldn't have come at a better time. By harnessing the power of the DISC personality assessment, these workshops provide invaluable insights that drive results.

"Our DISC Workshops are not just about providing insights; they're about revolutionizing the way teams collaborate," said Dr. Christie Cooper, founder of Cooper Consulting Group. "In just three hours, participants will master the DISC language, explore personality styles, and develop strategies for building effective relationships."

The workshops, available both in-person and virtually, are tailored to meet the unique needs of each organization. Participants will gain a deep understanding of their personality style and learn how to work effectively with others, leading to improved communication, reduced conflict, and increased productivity.

Cooper Consulting Group's team of highly-trained facilitators brings a wealth of experience and expertise to each workshop. With certifications in MBTI®, DISC®, Hogan®, FIRO-B®, and CPI 260®,

they are well-equipped to guide participants through the transformative learning experience.

"We've seen the incredible impact that our DISC Workshops can have on organizations," added Dr. Cooper. "From improved performance to greater employee retention, the benefits are truly remarkable."
