CHICAGO, IL, UNITED STATES, June 14, 2024 /EINPresswire.com/ --

Commencing their 2024 award season, Clutch honored [ArtVersion](#) Design Agency with a double accolade. This is the [second year](#) in a row in which ArtVersion was titled as a double winner.

The recognition celebrates the agency's prestige in the digital design industry with notable rankings and positive and verified client reviews for UI/UX and digital projects. The designation as a Clutch Champion recognizes business service providers worldwide for their industry expertise and ability to deliver exceptional results compared to other companies in their line of service.

Honorees of the Clutch Global Leader rankings are selected based on their industry expertise and ability to deliver scores calculated based on client feedback from thousands of reviews published on the ranking platform. The team has solidified trust amongst its clients with custom solutions that align with each client's business objectives and company goals. The testament of their work is reflected in the high-praise client reviews.

"It is rewarding to receive recognition from Clutch. Our team takes profound pride in the work we put out into the world, and we're deeply honored to collaborate with various industries and clients," says Goran Paun, ArtVersion's Principal and Creative Director.

As a prominent platform in the B2B space, Clutch functions helps companies find and hire service providers across a broad spectrum of industries like IT, marketing, and various business services. It serves as a bridge between companies looking to outsource services and providers
