“

A talent this prodigious also comes with an incandescent voice and a striking persona.”

Joe Bosso

She is also the first ever native Chinese to work with a USA Top 10 Pop Producer - Narada Michael Walden (Multi-Grammy winner. Aretha Franklin, Mariah Carey, Whitney Houston) and has just recorded and is writing with 3 time Grammy winner Tony Succar.

“Move Your Body Slowly” is the first top 30 Pop hit for Narada in nearly two decades.

Far from an overnight success story, at 33 she discovered she could write music. Now 35, Miist has written more than 60 songs in the past 2 years and just in the last 6 months has worked with artists that have combined for 19+ Grammy's.

Miist performs in 3 languages. English, Mandarin and Spanish. She will be releasing her first album, The Songs From The Living Room August 23, 2024.

Fans can find the single, “Move Your Body Slowly” and other charting singles on all [platforms](#) or her website and [YouTube](#) Channel.

More than anything, Miist is hoping to create moments of beauty and grace, messages and melodies that will leave listeners with an impactful and lasting feeling of possibilities. "It's a difficult time we're in," she says. "People are suffering in so many ways, so I want to bring some light to this world. Even if I'm writing about a subject that is dark, I always end with the feeling that we always have hope. I can't think of anything better. That's the connection I want to make."

She resides in the USA and as a wife and mother enjoys being with her family and traveling around the world.
