EXIT Realty Corp. International is thrilled to announce the addition of Testimonial Tree to its prestigious Premier Partner Network.

ESTERO, FL, USA, June 14, 2024
/EINPresswire.com/ -- EXIT Realty Corp. International is thrilled to announce the addition of Testimonial Tree to its prestigious Premier Partner Network. This strategic partnership aims to elevate the real estate experience for EXIT Realty affiliates to support their agents and their clients by integrating Testimonial Tree's advanced testimonial and review management system.

Testimonial Tree is renowned for its innovative solutions that empower over 1,000 brokerages and more than 250,000 real estate sales professionals to capture and share positive customer feedback. Their platform seamlessly collects testimonials, enhances online reputations, and boosts social proof, providing a competitive edge in today's digital landscape.

"Joining the EXIT Realty Premier Partner Network is a significant milestone for Testimonial Tree," said Jason Dolle, Founder & Chairman of Testimonial Tree. "We are excited to collaborate with EXIT Realty to provide their brokerage leaders and agents with tools that will enhance client satisfaction and trust, ultimately driving business growth."

Through this partnership, EXIT Realty affiliates will be able to purchase Testimonial Tree on behalf of their offices and agents at a significantly reduced rate and gain exclusive access to Testimonial Tree's robust suite of features, including:

Automated Testimonial Collection: Effortlessly gather client testimonials and third-party reviews through automated text message and email reminders.

Online Reputation Management: Monitor and manage online reviews on Google, Facebook, Zillow, Realtor and more to maintain a positive digital presence.

Seamless Integration & Automation: Easily integrate testimonials into EXIT Realty brokerage/agent websites, listing presentations and social media platforms.

Advanced Analytics: Gain insights into client feedback to continually improve services.
