

Cygnus Consulting LLC Announces Successful Appraisal at CMMI Maturity Level 3

Cygnus Consulting LLC is proud to announce that its consulting services was appraised at CMMI Maturity Level 3.

MCLEAN, VIRGINIA, UNITED STATES, June 18, 2024 /EINPresswire.com/ -- [Cygnus Consulting LLC](#) is proud to announce that it has been appraised at Level 3 of [CMMI](#) Institute's Capability Maturity Model Integration (CMMI)[®] for Services (CMMI-SVC). This appraisal builds upon the SBA 8(a) Certification (2024-2033) and WOSB/EDWOSB/SDB Certification the company received on April 1, 2024.

CMMI is a proven, outcome-based performance model and the globally accepted standard for improving capability, optimizing business performance, and aligning operations to business goals.

An appraisal at Maturity Level 3 indicates that Cygnus Consulting is performing at a "defined" level. At this level, processes are well-characterized and understood, and are described in standards, procedures, tools, and methods. The organization's set of standard processes, which is the basis for Maturity Level 3, is established and improved over time.

[Helena Dadoo, Cygnus's President, and CEO](#) expressed her deepest gratitude for Team Cygnus's commitment to getting appraised at CMMI Maturity Level 3: "This achievement required great commitment to ensuring that all our processes were clearly documented, defined, and implemented. This is to ensure our clients are provided with high-quality, and top-tier consulting services to increase the effectiveness of their mission."
