activé FiberShake features a well-balanced flavor profile. Its taste has earned the Superior Taste Award from the International Taste Institute in Brussels. The jury, consisting of over 250 chefs and sommeliers, recognized its quality.

In addition to taste, activé FiberShake supports health. It has won the [World Food Innovation Award](#) for Best Health and Wellness Drink, affirming its positive impact on well-being.

Key Benefits of activé FiberShake:

Award-winning flavors

High Fiber Content: 10 grams per serving, covering one-third of the daily recommended intake

Supports Digestive Health: Contains insoluble fiber

Promotes a Balanced Gut Microbiome: Includes prebiotic fiber

Enhances Overall Well-Being: Strengthens the immune system, supports mental health, and aids in weight management

"We are proud to introduce activé FiberShake, redefining the intersection of taste and health," said Peter Faidt. "activé FiberShake helps individuals meet their daily fiber needs, empowering them to take charge of their health and well-being."
