

Massachusetts Mesothelioma Victims Center Appeals to a Power Plant Worker with Mesothelioma in Massachusetts to Get Serious About Compensation and Call Attorney Joe Belluck of Belluck & Fox for Serious Results

BOSTON , MASSACHUSETTS , USA, June 19, 2024 /EINPresswire.com/ -- The Massachusetts Mesothelioma Victims Center says, "If your husband or dad worked at a power plant anywhere in Massachusetts or New England and he has just been diagnosed with mesothelioma please ignore the nonsense on the internet about mesothelioma 'free' books, calculators, no lawsuit and call attorney Joe Belluck of Belluck & Fox for some honesty anytime at 866-714-6466. As Joe Belluck of the law firm of Belluck & Fox is always happy to discuss mesothelioma compensation for a power plant worker might be millions of dollars. We also want to emphasize Belluck & Fox has an office in Boston, and Joe Belluck is one of the nation's top mesothelioma attorneys-and he has amazing references.

"A power plant worker would have had routine exposure to asbestos on the job prior to the mid-1980s, and in some instances their exposure might have been extreme. The most at risk workers at a power plant for asbestos exposure in Massachusetts would have been part of a

maintenance, repair crew or they might have been subcontractor skilled trades workers such as steamfitters, plumbers, pipefitters, electricians, welders or insulators.

"If your husband or dad is a current or former power plant worker anywhere in Massachusetts and they now have mesothelioma please call attorney Joe Belluck of Belluck & Fox at 866-714-6466. Bet on a sure thing and get the best compensation results."

The Massachusetts Mesothelioma Victims Center is also appealing to a Navy Veteran or worker who had significant exposure to asbestos before 1983 and who now has lung cancer anywhere in Massachusetts to please call them at 866-714-6466 about compensation. A compensation settlement for a person like this might be hundreds of thousands of dollars, and for Veterans there might also be VA Benefits.

Suggestions from the Mesothelioma Victims Center for people with mesothelioma in Massachusetts or nationwide on how to increase potential financial compensation:

* "Do you recall the specifics of how you were exposed to asbestos at work, in the military or

both-and when this exposure occurred? This is incredibly important information.

* "Do you recall the names of coworkers who might have witnessed your exposure to asbestos?"

* "Did you have more than one job where you might have been exposed to asbestos?"

* "Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?"

If a person with mesothelioma or asbestos exposure lung cancer anywhere else in the nation-or their family members would like some suggestions as to what lawyer-law firm to call-please call the Mesothelioma Victims Center anytime at 866-714-6466-"we have assembled the most amazing mesothelioma attorneys in the nation-and we would be honored to make recommendations." <https://MesotheliomaVictimsCenter.Com>
