

Hyde School Breaks Ground on State-of-the-Art Outdoor Athletic Complex

Hyde School in Bath Maine enters new phase with a New Sports Complex. Completion is expected this September in time for the 2024-2025 school year.

BATH, MAINE, USA, June 14, 2024 /EINPresswire.com/ -- Hyde School is thrilled to announce the groundbreaking of a comprehensive renovation of its Outdoor Athletics Complex, marking a significant enhancement in the school's athletic facilities and overall quality of life for its students and the community.

The ambitious project includes the installation of a state-of-the-art turf playing surface and track, complete locker room renovation, the addition of a family viewing pavilion, and a new scoreboard. Hyde School has partnered with industry leader FieldTurf for the track and turf field renovation, ensuring top-tier quality and performance for the new facilities. The estimated completion date for this project is September 1, 2024.

"Thanks to the generosity of several Hyde supporters, we are able to move forward with this important campus improvement. We are excited to partner with FieldTurf for what will be one of the top playing surfaces in Maine. Hyde student-athletes will greatly benefit from the new athletics facility starting at the beginning of school this fall," said Will Bridgeo, Director of Development.
