LOS ANGELES, CALIFORNIA, USA, June 20, 2024 /EINPresswire.com/ -- One Light Films proudly announces the release of "Beyond the Peak," a captivating and inspirational documentary directed by Aleksandar Jovic, now available on Amazon Prime, Apple TV, and Tubi. This powerful film offers a unique blend of faith, brotherhood, and mountaineering, taking viewers on an emotional journey into the heart of the Colorado Rocky Mountains.

"Beyond The Peak", a mountain climbing expedition documentary directed by Aleksandar Jovic, now on Amazon Prime, Apple TV, and Tubi.

"Beyond the Peak" tells the poignant story of David Rayman-Rajkovic and his Orthodox Christian mountain climbing club and their expeditions in the mountains. In 2010, after the loss of his brother Zachary, David climbs Colorado's Blanca Peak to fulfill Zachary's final wish, to say a prayer on top of a mountain. Documenting the ascent, David and his brother-in-law Ranko encounter challenges but ultimately reach the summit for Zachary's memorial. Moved by their journey and praying on top of a mountain they knew this experience was worth sharing with others. This led to the inception of the Saint Nicholas Mountain Climbing club where mountaineering and prayer intertwine.

As the club grows with each climb, the members gain new brothers and develop a deeper connection to nature and their faith. In the shadow of Mt. Humboldt, the team faces death but emerges stronger, embracing a higher purpose—bringing the Holy Divine Liturgy to the mountains.

Under David's leadership, the club returns to Mt. Blanca, where they face formidable challenges. Carrying equipment for the Liturgy, the group overcomes the obstacles and successfully serves

the Liturgy at about 13,600 feet, just below the peak. For the Mountain Men of Indianapolis, this final ascent becomes a divine communion with nature, revealing the transcendent experiences that lie beyond the peak.

Director Aleksandar Jovic crafts a narrative that is deeply moving and visually stunning, showcasing the transformative journey of David's mountain climbing club. "Beyond the Peak" blends faith-based storytelling with the awe-inspiring beauty of the Colorado Rocky Mountains, appealing to both Christian viewers and those passionate about mountain climbing and the outdoors.

"Beyond the Peak" is a celebration of faith, resilience, and the bonds formed in the face of adversity. It demonstrates how the physical act of escaping society and finding answers in nature gave David a new purpose—building a small brotherhood and community.
